*Cher client, chère cliente,*

Nous avons le plaisir de vous présenter notre nouveau catalogue. Vous découvrirez ci-joint notre large assortiment de bulbes de la meilleure qualité. Outre les bulbes les plus répandus et les grands classiques, nous vous proposons également les toutes dernières nouveautés en matière de bulbes et de produits. Afin d'encore mieux vous servir, nous vous proposons désormais des bulbes préemballés et des cadeaux publicitaires.

#### **Notre méthode de travail**

Si vous êtes intéressé(e) par nos produits, et si vous souhaitez recevoir une offre de prix, vous pouvez nous envoyer un courriel ou une télécopie. Si vous y précisez les types, les dimensions et la quantité désirés, ainsi que l'adresse de livraison souhaitée, nous vous enverrons un devis sans aucun engagement de votre part. Nous nous ferons également un plaisir de répondre à vos questions relatives à la culture ou au traitement des bulbes par téléphone ou par courriel.

#### **Nos emballages**

Nous vous proposons de nombreuses possibilités d'emballage. Les petites commandes sont emballées dans des boîtes en carton numérotées. Ces numéros sont repris sur un bordereau envoyé avec la commande et précisant le contenu de chaque boîte. Il est également possible de recevoir les bulbes dans des caisses en plastique ; un supplément est facturé pour ce type d'emballage. Les caisses en plastique offrent l'avantage d'une plus longue conservation des bulbes, tout en préservant leur qualité. À la demande du client, nous pouvons également emballer les bulbes dans des sacs avec capsule, accompagnés de la description du produit.

#### **Nos envois**

Green Garden envoie des bulbes à travers le monde et collabore à cet effet avec des transporteurs fiables et internationaux de la région. Nous réagissons ainsi très rapidement aux souhaits de nos clients et limitons notre délai de livraison à deux semaines maximum dès réception de la commande. Les frais de transport sont mentionnés dans nos offres.
